UNIVERSAL NERI WALL AND POLE BRACKET ADAPTER

Compliance:
UL Standard 1598, UL8750

SPECIFICATIONS:

Construction:
Constructed from a high-quality, Die-cast marine-grade low copper content aluminum alloy (UNI EN 1706)

Finish:
- Standard color: Neri Gray

Mounting:
Designed for versatility, the NERI universal pole adapter can easily mount to round poles ranging from 3" O.D. to 6" O.D., as well as to 3" square poles and larger. With this adapter, you can easily attach NERI luminaires to a range of different poles, structures and walls making it ideal for use in a variety of outdoor settings.
